

# ACH PAYMENTS

---

In 2025, AAN will move art sale commission payment from check to ACH payment (funds will be automatically deposited into your account).

When a piece of your art sells, the gallery will contact you via email stating the piece that sold, how much it sold for and what your commission will be. Payments will be issued within 1-2 weeks of sale.

In order for payments to be seamless, AAN will need the following information:

Bank Name  
Routing Number  
Name on Account  
Account number  
Type of account (business or personnel, checking or savings)

*Please contact Francine Balling, Director of Finance and Operations with any questions  
francine@nantucketarts.org*
