

ERIN DONOHUE AND FAMILY FULLY FUNDED CERAMIC ARTIST IN RESIDENCY APPLICATION

This Residency is funded by the Donohue family to support a five-week residency for a ceramic artist to come and teach 2 five-week classes in the fall session (starts mid-October). One of these classes will be geared to community members who could benefit from a Wellness Through the Arts experience. The teacher fee for this class is waived as part of the contract. Another class must be geared toward intermediate and advanced level students or professionals and the teacher fee will be paid by the AAN.

Goals:

- Provide master level classes as professional development to island ceramicists.
- Give an annual free Healing in the Arts class to community members.
- Support the vibrancy of our robust ceramics department.

Expectations for the Artist:

- Resident will teach specific techniques and processes that result in a finished artwork(s) for students.
- Work with the department head to design the curriculum needed at Visual Arts Center.
- Work in the studio to produce their own artwork.
- Engage with fellow ceramists at AAN.
- Present and/or exhibit at the VAC at a 50/50 commission structure.

Funding Details:

- Travel stipend of \$500 (reimbursement)
- Stipend of \$2000
- Apartment funded
- Teaching compensation of \$875 for intermediate/advanced level class

Total financial compensation of \$3,375 to be paid to resident

Note: Residents may have a guest for \$25 per night. Residents will be paid a mutually agreed upon rate for any additional classes taught.
