

# Artist in Residence Program

In 2015 AAN launched an Artist-In-Residence Program. Residencies are awarded between November and April. As part of the residency program, artists will have the opportunity to work with AAN members, students, and the Nantucket community. We ask that residents consider sharing their experience with an artist talk open to the public, teaching a class or workshop, or an exhibition of work created while in residence at the Visual Arts Center. Some of these options may reduce the residency fee. Residents are welcome to join us for a minimum of two weeks, maximum of two months.

## Living at the Visual Arts Center

The residence includes a furnished studio apartment, with a full size bed, kitchen and private bathroom. The VAC is located in the center of the island and is convenient to all services. Bike paths are everywhere, however in the late fall and winter a car may be necessary as public transportation does not run after Columbus Day.

## Private Studio

A generous-sized private studio is provided and equipped with a table, easel, painting cart with palette, sink, and cleaning supplies. A printmaking studio is also available for shared use.

## Qualifications

The applicant must be a practicing artist. Artists working in any medium are welcome to apply, though we are only able to accommodate 2-D artists in terms of equipment. While we do have facilities for clay handbuilding and wheelthrowing, are not accepting ceramic residents at this time, but feel free to inquire. Photographers, textiles/fiber artists, mixed media artists, and lost wax jewelers are encouraged to apply.

A letter of intent should accompany the application that explains how the experience will be of benefit to you.

For those who wish to teach, previous teaching experience is required. Please give an outline or proposal of a sample of a workshop. Workshop length and details will be discussed upon acceptance to the residency.

We practice greener safety practices at the VAC. Please read the studio rules to see if it complies with your studio practice.

## Application should include:

- \$20 application fee. Checks made to Artists Association of Nantucket.
- Three references
- Portfolio on a CD or thumb drive with 15-20 digital images of your work. Provide a corresponding list with your images that include your name and title, size, medium, and date of each work. CD and thumb drives will not be

returned. Images must be as a JPEG file that can be read on a MAC operating system.

- Current resume/CV

#### APPLICATION DEADLINES

November-December Residencies - May 1

January-April Residencies - November 1
