

Dear Potential Artist Member,

Thank you for your interest in becoming an artist member of the Artists Association of Nantucket. Founded in 1945 by artists and art patrons, the organization's primary goal was to educate and support island artists. Today the mission of AAN is to foster the visual arts on Nantucket. By promoting, supporting, and encouraging the work of Nantucket artists, providing educational programs in the arts, and preserving the legacy of Nantucket artists, we create a vibrant arts community.

Each year, AAN accepts new artists and welcomes them into the organization. AAN's two hundred and fifty plus artist members receive valuable benefits, including over a dozen opportunities to exhibit work in the Cecelia Joyce & Seward Johnson Gallery, the highest commission on sales given by an island gallery, free workshops taught by members, our artist demonstrations series, and many other ways to connect with professional and emerging artists.

Artist candidates must meet the following criteria for consideration for AAN membership:

1. You are required to be a resident of Nantucket, which for us means that you live on the island for a minimum of three consecutive months each year.

Residency must be proven at the time of application by providing copies of:

- A) A valid driver's license showing a Nantucket address, or
- B) Three consecutive months of at least two different utility billing statements (electric, phone, gas, oil, etc.) with the applicant's name and a Nantucket address.

If you cannot satisfy either of the above proof of residency requirements, but feel that you meet the requirement of being a Nantucket resident, please contact the AAN office for review of your situation before submitting your application.

2. You must be ready to show your art in a professional gallery and your work must exhibit a level of skill, vision, and presentation representative of a professional artist. The work, which is submitted in support of your membership application, needs to be appropriately framed or presented in a professional manner (a minimum of 2 of the 5 submitted works). Please see the full description of "Exhibition Ready" in the application.

3. In addition to the payment of annual dues, artist members are required to donate one piece of art a year to an AAN fund-raising event. The proceeds from the sale of your art at an event will go entirely to support the non-profit organization. Junior members, a category for artists 25 and younger, are exempt from this requirement.

4. AAN requires each artist member to donate ten hours of volunteer work per year. Volunteer opportunities exist year-round and include everything from helping with fund-raising events to assisting at gallery receptions. Junior members are also exempt from this requirement.

Again, thank you for your interest and we welcome your involvement in AAN.

- Board/panel surfaces with wooden sides (a stand-in for framing) of a thickness of 3/4" or more also need to show clean wood or painted sides. Those less than 3/4" need a frame.
- Photographs printed on metal may also be exhibited with a solid backing system for hanging.
- 3-D works must stand or rest in a stable position, which may require a base.

As a part of your application, the Review Committee requests that you write a brief (short paragraph) artist statement. It is critical that you are able to express your vision as an artist.
